LEGISLATIVE ASSEMBLY : STARRED QUESTION NO.620 : ESTABLISHMENT OF A SOAP INSTITUTE IN ROYALASEEMA : PAPERS RECORDED.

Note

Extracts from the Proceedings of the Madras Legislative Assembly.

620. Q. Sri M.S. PATTABHIRAMIAH (on behalf of Sri S.Nagappa): Will the Hon.the Minister for Industries be pleased to state -

(a) whether it is not a fact that there is only one Government Soap Institute in the whole Province; and

(b) if so, whether the Government propose to start another in Rayalaseema?

THE HON. SRI H. SEETHARAMA REDDI: "(a) Yes, Sir.

(b) No such proposal is under consideration.

SRI B.S. MURTHY: Will the Government consider the desirability of establishing a soap institute in Royalaseema as there are so many oil mills there and also oil seeds are found in abundance?

THE HON. SRI H. SEETHARAMA REDDY: "Sir, the question of establishing a separate institute in Royalaseema for soap industry by the Government cannot be considered by the Government at present because the Soap Institute at Calicut is training the necessary personnel to man the industry in the Province and if private industrialists who want to start soap facotires in the Province come forward with proposals, any technical help that is possible would be given by the Government, and necessary facilities will be given in Royalaseema to have a separate institute, a case must be made out to start one."

M. MUHAMMAD ISMAIL SAHIB BAHADUR: "May I know, Sir, whether the Soap Institute at Calicut is not manufacturing soap for consumption by people and if so, may I ask whether the Government consider that the demand in the province for soap does not warrant the establishment of more soap factories?

THE HON. SRI H. SEETHARAMA REDDI: "The question is different, Sir, The question put by my Hon.Friend was about a soap institute and not about a soap factories.
